TITLE: Special Equipment Installation Drawings

LETTER NO.: 19

PAGE 1 OF 1

DATE: September 26, 1947

Gentlemen:

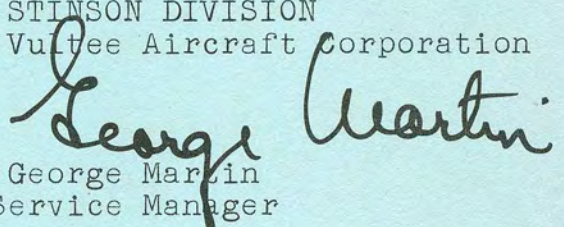

Apparently a number of owners request installation of certain special equipment which we do not make available at the factory and in an effort to be of assistance we are willing to make available engineering installation drawings on the items listed below:

<u>Drawing Number</u>	<u>Title</u>
108-8932002	Installation Outside Air Temperature Gauge
108-8931001	Installation Electrically Heating Pitot Tube
108-6931001	Installation Carburetor Air Temperature Gauge
108-8961001	Installation Five One-Minute Flares

The drawings may be secured by addressing your request to the attention of our Service Department.

Yours very truly,

STINSON DIVISION
