

SERVICE PARTS AND ACCESSORIES LETTER

STINSON DIVISION
CONSOLIDATED VULTEE AIRCRAFT CORPORATION
WAYNE, MICHIGAN

TO: Stinson Dealers

LETTER NO.: 27-A

TITLE Sun Visors

PAGE 1 OF 1

DATE March 31, 1948

Gentlemen:

Many owners and dealers have contacted us in the past concerning availability of sun visors. In order to meet this demand we have had several types installed in planes operated by our field personnel and finally have selected a style which we feel best answers our owners requirements.

These visors are made of green plexiglas and are framed to insure durability and long life.

We suggest that they be installed so that when they are turned down they will be directly in the pilot's line of vision. Under this arrangement, they will also serve their intended purpose when they are turned up.

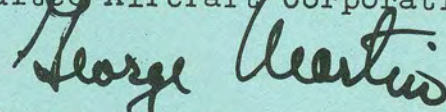

The addition of these visors to your line of accessories will, with a little sales effort, result in additional profits for you.

Prices are as follows:

<u>LIST PRICE</u>	<u>DEALER PRICE</u>	<u>ASSOCIATE DEALER PRICE</u>
\$6.95 ea.	\$4.52 ea.	\$5.56 ea.

Yours very truly,
